

Brandon Township

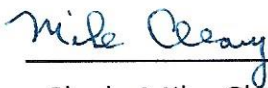

Douglas County, Minnesota

Gopher Bounties & Stray Dogs

Brandon Township assists in gopher control by paying a bounty of \$3.00 for pocket gophers and \$.25 for striped gophers that are trapped in the township. The two front feet of captured gophers must be presented to the town clerk for payments

Upon notification of a stray dog in the township, a township supervisor will pick up the animal (dogs but not cats) and deliver to the Lakes Area Humane Society shelter in Alexandria. The shelter will keep the dog for one week before destroying the animal. The dog owner will be responsible for the cost of shelter if they pick up their dog. If no owner shows up, the township will take responsibility for all costs.

Adopted June 15, 2020

Clerk, Mike Cleary

Chairman, Kerby Lund
